**ACE Producers** have exclusive access to the **online documentation** for this Advanced Development Workshop.

It includes:

- **All the slides shown during the presentation** (PDF),
- The **Strands Map** for *Crash* (PDF),
- An **STM Framework template** (MS Word and PDF),
- Unlimited access to ***The Structurator***, an online tool designed to help you identify the story-type of your project and get tips and advice specific to your screenplay,
- A free sampler of ***Screenwriting Unchained*** (50-page PDF) with a link allowing you to share a detailed introduction to the *Story-Type Method* with your team,
- A subscription to our **newsletter** (you can unsubscribe at any time).

To access your online documentation, **please register before the 31st of October 2017** and follow the instructions below.

It's quick and easy:

- 1) Go to [www.screenplayunlimited.com](http://www.screenplayunlimited.com) and register.
- 2) Check your email, activate your account and log in as a registered user.
- 3) At the bottom of the Members Welcome page, you'll find a button to **open a ticket**. Let us know which workshop you attended and we'll upgrade your account.
- 4) When you receive a confirmation, **log in again**. On the Members Welcome page, follow the link to the online documentation for **ACE Producers**. That's it!
